Wildcat Mattress is a small, locally owned mattress store dedicated to helping you sleep better and have a hassle-free mattress buying experience. It's our goal to always offer the BEST prices and BEST service, with no gimmicks or bull. We can do this because we're small and local, so we get to make all the rules.

We've decided to skip the expensive radio and TV ads and instead, we pass those savings onto you, relying on word of mouth and referrals to grow our business. It's simple. If you aren't happy, we don't grow.

So that's what we do. We make customers happy. Every day. (check out our 5-star reviews below for proof!)
